How to Redeem a Gift Card

Helpful Information when redeeming your gift card:

Gift card options are based on the model year of the Card Recipients Snowmobile:

- Classic Gift card is for a sled that is 1999 or older
- Seasonal Gift card is for a sled that is 2000 or newer

The gift card must match the sled the type of sled the recipient owns otherwise the system will not accept it. Fee adjustments cannot be accommodated if the gift card was purchased for a lower fee for the wrong permit type(ie, gift card was purchased in October for a classic permit but when being redeemed in January it is noticed that the recipient needs a Seasonal permit).

Purchasing a gift card locks in the fee during the timeframe that it is purchased in, the recipient will not have to pay any extra if they are redeeming the gift card after fees have increased.

Go to www.ofsc.on.ca and click on the green “Buy Permit” button
